Premium Active Noise Cancelling Headset

Introducing the 910BT, a cutting-edge wireless headset designed to revolutionize your audio experience. Equipped with Multipoint Technology, this headset can connect to two devices simultaneously, allowing you to seamlessly switch between them with ease.

The 910BT boasts Bluetooth V5.0 connectivity, providing lightning-fast pairing and a reliable wireless connection, you can move around freely upto 10 meters while staying connected to your device. With Active Noise Cancellation and 6 Enhanced noise cancelling mics, you can block out unwanted background noise and immerse yourself in your music or calls.

Powered by a Qualcomm Chipset (QCC3034), this headset delivers exceptional audio quality with crystal-clear sound. The 910BT features an Over-The-Head wearing style and leather ear cushions, ensuring a comfortable fit for extended use.

Upgrade your audio experience with the 910BT wireless headset and enjoy unmatched sound quality, comfort, and convenience.
