# WIRED COMMUNICATION

## 810 Series

### 815DM-AINC Premium Comfort USB Headset with AI Noise Cancellation

- Built with AI Noise Cancelling
- Compatible with UC & Microsoft Teams
- ENC Dual-Mic Array Omni-Directional
- Built in with Ear Protection Feature
- Luxurious Comfort
- Superior HD Sound Quality
- Top-level Acoustics & Hearing Protection
- High Reliability

Office & Enterprise | Contact Centre | Hybrid Work

## 600 Series

### 600DM-AINC Busy-light, ENC, Advanced Intelligent Noise Cancellation, Premium comfort

- Advance Noise Reduction with Enhanced Noise Cancellation (ENC) Microphone for clear and distraction-free calls.
- One-Touch Controls, Seamlessly Compatibility & integrates with popular platforms like Teams, Google Meet, and Zoom.
- Comes with Busy Light Automatically indicates your status.
- Flexible Design, 180° rotatable ear cups and 270° rotatable mic boom for comfort and convenience.
- Audio Controls, Conveniently manage mute, volume, and playback with intuitive button.
- Universal Connectivity (USB and Type-C) ports for easy plug-and-play.

# WIRED COMMUNICATION

## 550 Series

### **550-AINC Busy-light, Dual ENC Mics, Precision with Clear Calls & Immersive Sound**

- AI Environment Noise Cancellation (AINC) & ENC Dual Mic. Array for clear voice pickup
- Stereo Surround Sound delivering Hifi Audio.
- USB-A/C Connector.
- Fully Optimized for Microsoft Teams for seamless integration and with other UC platforms.
- Rotatable mic boom & Protein Leather Cushions.
- Comes with Busy-light indicator on the headset.

Office & Enterprise | Contact Centre | Hybrid Work

### **410 Plus Series, Dual Enhanced Noise Cancellation Mics (ENC) for Amplified Clear Communication**

- Simple & Efficient Value for Money Headset with Dual-Enhanced Noise Cancelling Mics.
- USB-A / USB-C / QD Options
- UC & MS Teams Versions available(410DM and 410DMC)
- Comes with inline volume & mute controls.
- Powered with AI-firmware delivering Excellent Noise-cancelling performance for users on the go.
- Bass-enhanced HD speakers housed in and amazingly compact form factor.
- Comes with Foam & Leather cushion options.
- 90° rotatable speakers & adjustable headband.

## 410 Plus Series

## 950BT Series

### 950BT Active Noise Cancellation (ANC) & ENC, Sound Beyond Boundaries

- Crystal-Clear Calls: AI Algorithm for Environment Noise Cancellation eliminates your ambient noise very effectively.
- Hybrid ANC Experience lets you isolate from your surrounding noise.
- Triple-mode linking: Switch effortlessly between a MS Teams-optimized USB-C wireless dongle, Bluetooth connection & 3.5mm wired connection.
- All Day Power: Up to 100 hours playback with ANC OFF; 60 hours with ANC ON at 50% volume.
- Premium Sound: High-sensitivity drivers produce rich & detailed audio.
- Engineered for Stability & Confidence: Well-balanced construction that delivers a stable, secure fit even through long workdays and frequent movement and multitasking.
- Dual Ear-Pad Options for Any Scenario: Choose fabric for cooler, airy comfort or leather for immersive focus, interchangeable in seconds.

Office | Enterprises | On-the-Go

## OpenEar 750BT ENC, Comfortable Audio, All Day Long

- Open-Ear Comfort with Crystal-Clear Calls — Designed for All-Day Communication.
- Closed-Cavity Sound Design with Dual Enhanced Noise-Canceling Mics for exceptionally Clear Calls.
- Auto Audio Modes — Seamlessly Switch Between Communication & HD Music.
- Open, Non-In-Ear Design for Safety, Natural Sound Awareness, and Long-Wearing Comfort.
- Immersive Audio with Automatic Bass-Enhancement Algorithm — Enjoy Rich, Dynamic Sound in Every Mode.
- Multi-Point Bluetooth — Connect and Switch Between Two Devices Simultaneously.
- Stable & Lag-Free Connection with Advanced Wireless Technology.
- Outdoor Clarity Optimized — Clear Calls Even in Noisy Environments.
- Fast Charging & Extended Battery Life — Over 17 Hours Talk Time & 19 Hours Music Playback.
- Included in the Box: OE750BT Headset, Carry Pouch, USB Type-C Charging Cable, Silicone Strap, User Manual.
