(Fabric & Leather)**

KEY FEATURES

- **Crystal-Clear Calling:**

Powered by AI Algorithm Dual-Mic Environment Noise Cancellation which intelligently eliminates surrounding noise, ensuring your voice stays crystal-clear — no matter how loud the world gets.

- **Hybrid ANC for deep focus:**

Need personal space in a noisy environment? Hybrid Active Noise Cancellation isolates you from distractions, helping you stay focused when it matters most.

- **Triple-mode Connectivity:**

Switch effortlessly between devices — with MS Teams-optimized USB-C wireless dongle, Bluetooth, or 3.5 mm wired mode—making LIVEY 950BT perfect for laptops, mobiles, tablets, and enterprise systems.

- **Power to Keep Going:**

With upto “100 hours playback” on a single charge and “60 hours with ANC ON” and “40 hours of Talk-time” — it’s built to outlast your longest workdays and nonstop travels.

- **Immersive, Premium Sound:**

High-sensitivity drivers deliver rich, detailed, and balanced audio, letting you enjoy powerful clarity for meetings, calls, and entertainment.

- **Stability & Substance:**

Engineered with a well-balanced design for secure, all-day comfort — even through long hours, active multitasking, and movement.

- **Personalized Comfort:**

The dual ear-pad system lets you swap between breathable fabric cushions and immersive leather pads — adapting easily to your comfort and scenario.
