

Audixa Series

CS200 WIRELESS AI CONFERENCE SPEAKEPHONE

True Wireless Stereo (TWS), high-bass dual speaker
High-loudness, High-dynamic Speaker Unit

**CS200 WIRELESS AI
CONFERENCE SPEAKEPHONE**

Intelligent Conferencing for Personal,
Small & Medium size Rooms

INTELLIGENT CONFERENCING FOR PERSONAL, SMALL & MEDIUM SIZE ROOMS

Experience crystal-clear conference calls with the CS200 AI Conference Speakerphone. Featuring 8 intelligent microphones, AI-powered noise cancellation, and true wireless stereo sound, it's perfect for seamless meetings and collaborations.

Optimized for Online Collaboration

KEY FEATURES

- 8-Intelligent microphones with DOA algorithm
- AI Algorithm for Environment Noise & Echo cancellation
- True Wireless Stereo (TWS), high-bass dual speaker
- Optimized for Unified Communications, MS Teams
- Wireless Expandable Solution (1+1 Cascading)
- Efficient Duplex Audio & AGC
- Large Capacity Battery - 4400mAh
- Voice Pickup Range = upto 6m radius with Single Unit.
- Speaker Talk Time upto 10-12 hrs and Speaker Standby time of 360 days

**8-Intelligent
Microphones with DOA**

**AI Algorithm for Noise &
Echo Cancellation**

**True Wireless Stereo
(TWS) Dual Speaker**

TECHNICAL SPECIFICATION

Microphone	Frequency response	90Hz - 16kHz
	Sensitivity	26dBFS +/-1dB @ Pa
	Number of MIC	8pcs mic array
	Pickup range	6 meters radius
	Audio function	AEC, VAD, ANC Noise
	Algorithm	AI Noise algorithm
Speaker	Frequency response (Music)	120Hz-20kHz
	Frequency response (Talk)	200Hz-20kHz
	Power	1.1 channel 5W full-range speaker
Connect	Wire	USB2.0 UAC1.0
	Wireless	Dual Bluetooth V5.3
	Dongle	USB2.0 Dongle
	Features	Support wire, 2 Wireless use at same time, and can be talk with everyone
Battery	Battery type	Li-ion
	Battery capacity	3.7V/4400mAh
	Use time (Voice)	13 hours Use
	time (Music)	8 hours
	Standby time	More than 1 year
System Compatibility	Windows	Win7/8.1/10/11
	Mac OS	10.10 and above
	Android	7.11 and above Chrome OS
	Bluetooth operating frequency	2.402-2.480GHz
	Bluetooth output power	0.25mW (-6dBm) 2.5mW (4dBm), Normally at 1mW(0dBm)

Size and Weight	Size of product	126×126×34mm
	Size of package	156×156×64mm
	Net weight	385g
	Gross weight	605g
Environmental requirements	Operating temperature	0~40 C
	Storage temperature	-20~60 C
	Humidity requirements	10%~90%RH
	Altitude	below 5000 m

Packaging accessories

USB data cable x 1

USB Dongle x 1(optional)

Manual x 1
